Servetto 3T

From Servetto® comes out Servetto 3T: a combination of design, functionality and innovation for the new elite wardrobe lift, a development of our well-tested reliable Servetto® lift mechanism. Bringing together expertise and spirit of innovation, Servetto introduces the damping lift movement. Its design is clean and functional and its structure is optimized reflecting the quality standards typical of the range Servetto. Maximum load capacity: 10 kg. Servetto 3T is custom-made. Thanks to the collaboration with our customers, we are able to adapt our finishes to the most specific requirements: gold leaf, leather and/ or other materials. Servetto 3T: fluidity, elegance and originality.

Our friendly staff are always ready to assist, call 6846 9148 for all enquiries.
